WORK EXPERIENCE

Lighthouse Christian Center June 2021 – Present
Facilities Logistics Coordinator Puyallup, WA

Working at LCC, I provide actionable support and expanded my purview to manage server and hardware repair, network reliability, technical support, and digitizing communication.

- Ensure effective timeline management.
- Provide both software and hardware IT support.
- Research and improve current systems including PC hardware, CCTV, and MDF
- Set up and tear down the facility for events and services.

Self-employed March. 2017 – Present
Freelance Landscaper Puyallup, WA

Eight years ago, I developed my own business with just a lawn mower, a string trimmer, and a tank full of ambition.

- Utilized client feedback to provide a custom solution for every client
- Built and retained customer relationships with over sixteen clients
- Promoted services through inbound marketing
- Maintained and repaired service equipment

EDUCATION

Western Governors University March 2025
Bachelor's of Science, Network Engineering and Security Millcreek, UT

Pierce College June 2022
Associate of Arts Tacoma, WA

Grade 3.95/4.0 GPA, International Phi Theta Kappa Honor Society
Chancellor's List 2x, President's List 2x, and Dean's List 2x
